**SPECIAL POTLUCK
 DINNER**

We spend from 4-7 pm eating dinner, playing card games, doing puzzles, talking, and napping. We save money on gas and don't worry about going anywhere. It's a great time to visit and enjoy each other.

The main course is supplied you bring some-thing to add to the meal...

Main dish will be decided a couple weeks prior to the dance. But we can always use salads, bread, desserts, and anything else you feel like bringing.
